**Medicaid**

RULE NO: RULE TITLE

**59G-9.070**: Administrative Sanctions on Providers, Entities, and Persons

**PURPOSE AND EFFECT:** The 2009 Legislature passed Senate Bill 1986 which revised laws within the jurisdiction of the Agency for Health Care Administration (“AHCA” or “Agency”). These statutory revisions will have an effect upon administrative sanctions and disincentives imposed upon a provider, entity, or person for each violation of any Medicaid – related law. In pertinent summary, Section 409.913, F.S., as revised during the 2009 Legislative session, requires the Agency to deny payment or require repayment for Medicaid services under certain circumstances; requires the Agency to immediately terminate a Medicaid provider’s participation in the Medicaid program as a result of certain adjudications against the provider or certain affiliated persons; requires the Agency to suspend or terminate a Medicaid provider’s participation in the Medicaid program if the provider or certain affiliated persons participating in the Medicaid program have been suspended or terminated by the Federal Government or another state; provides that a provider is subject to sanctions for violations of law as the result of actions or inactions of the provider or certain affiliated persons; requires that the Agency provide notice of certain administrative sanctions to other regulatory agencies within a specified period; requires the Agency to withhold or deny Medicaid payments under certain circumstances; requires the Agency to terminate a provider’s participation in the Medicaid program if the provider fails to repay certain overpayments from the Medicaid program; requires the Agency to post a list on its website of Medicaid providers and affiliated persons of providers who have been terminated or sanctioned; and requires the Agency to take certain actions to improve the prevention and detection of health care fraud.

**SUMMARY:** Rule modification is required to fully implement the revised and expanded statutory provisions, as summarized above. Additionally, to assist the Agency and the Legislature achieve their intended and mutual purpose of reducing and preventing fraud and abuse of the Medicaid program, it is necessary to modify the monetary sanctions, as a deterrent for violating laws governing the Medicaid program.

59G-9.070 Administrative Sanctions on Providers, Entities and Persons.

**(1) PURPOSE: This rule provides notice of administrative sanctions imposed upon a provider, entity, or person for each violation of any Medicaid-related law.**

**(2) APPLYING AND REPORTING SANCTIONS: Notice of the application of sanctions will be by way of written correspondence and the final notice shall be the point of entry for administrative proceedings pursuant to Chapter 120, F.S. Satisfaction of an overpayment following a preliminary audit report will not avoid the application of sanctions at a final audit report unless the Agency offers amnesty pursuant to Section 409.912(25)(e), F.S. The**

Agency shall report all sanctions imposed upon any provider, entity, or person, or any principal, officer, director, agent, managing employee, or affiliated person of a provider who is regulated by another state entity, regardless of whether enrolled in the Medicaid program, to that other state entity. Sanctions are imposed upon the Final Order being filed with the Agency Clerk.

(3) DEFINITIONS:

(a) "Audit report" is the written notice of determination that a violation of Medicaid laws has occurred, and where the violation results in an overpayment, it also shows the calculation of overpayments.

(b) "Claim" is as defined in Section 409.901(6), F.S., and includes the total monthly payment to a provider for per diem payments and the payment of a capitation rate for a Medicaid recipient.

(c) "Contemporaneous" records means records created at the time the goods or services were provided unless otherwise specified in Medicaid laws or the laws that govern the provider's profession.

(d) A "corrective action plan" is an activity to address the specific areas of non-compliance determined by the Agency, to reduce the risk of future non-compliance.

(e) An "erroneous claim" is an application for payment from the Medicaid program or its fiscal agent that contains an inaccuracy.

(f) "Fine" is a monetary sanction. The amount of a fine shall be as set forth within this rule.

(g) A "false claim" is as provided for in the Florida False Claims Act set forth in Chapter 68, F.S.

(h) "Offense" means the occurrence of one or more violation as set forth in a final audit report. For purposes of the progressive nature of sanctions under this rule, offenses are characterized as "first", "second", "third", or "subsequent" offenses; subsequent offenses are any occurrences after a third offense.

(i) "Patient Record" means the patient's medical record, including all documentation maintained by the provider, entity, or person to document furnishing, ordering, or authorizing goods or services, and includes the documentation in multiple files if the practitioner maintains separate files for different types of documentation.

(j) "Patient Record Request" means a request by the Agency for Medicaid-related documentation or information. Such requests are not limited to Agency audits to determine overpayments or violations and are not limited to enrolled Medicaid providers. Each requesting document constitutes a single Patient Record Request.

(k) "Pattern of erroneous claims" is defined as when more than 5% of the claims reviewed are found to contain an error or the reimbursements for the claims found to contain an error are more than 5% of the total reimbursement for the claims reviewed.

(l) "Provider" is as defined in Section 409.901(17), F.S., and includes all of the provider's locations that have the same base provider number (with separate locator codes).

(m) "Provider Group" is more than one individual provider practicing under the same tax identification number, enrolled in the Medicaid program as a group for billing purposes, and having one or more locations.

(n) "Sanction" shall be any monetary or non-monetary disincentive imposed pursuant to this rule; a monetary sanction may be referred to as a "fine."

(o) "Suspension" is a one-year preclusion from furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services that result in a claim for payment to the Medicaid program. Suspension applies to any person, corporation, partnership, association, clinic, group, or other entity, whether or not enrolled in the Medicaid program.

(p) "Termination" is a twenty-year preclusion from furnishing, supervising a person who is furnishing, or causing a person to furnish goods or services that result in a claim for payment to the Medicaid program. Termination applies to any person, corporation, partnership, association, clinic, group, or other entity, whether or not enrolled in the Medicaid program. However, if termination is imposed against a provider enrolled in the Medicaid program, the provider agreement shall also be terminated. A termination pursuant to this rule is also called a "for cause" or "with cause" termination.

(q) "Violation" means any omission or act performed by a provider, entity, or person that is contrary to Medicaid laws, the laws that govern the provider's profession, or the Medicaid provider agreement.

1. For purposes of this rule, each day that an ongoing violation continues and each instance of an act or omission contrary to a Medicaid law, a law that governs the provider's profession or the Medicaid provider agreement shall be considered a "separate violation".

2. For purposes of deterring first, second, third or subsequent offenses under this rule, prior Agency actions during the preceding five years will be counted where the provider, entity, or person was deemed to have committed the same violation.

3. The failure to comply with a corrective action plan constitutes a violation and is an ongoing violation for each day following the deadline for submission of the corrective action plan that the failure continues.

4. For purposes of determining a violation regarding including an unallowed cost in a cost report (paragraph (7)

(k) and Section 409.913(15)(k), F.S., a violation has not occurred if the unallowed cost or costs are the subject of an administrative hearing pursuant to Chapter 120, F.S.

5. For purposes of violations under paragraph (7)(n) of this rule regarding purchase shortages (as opposed to shortages of time), each good found to be short, by units of each type of goods, such as each tablet of a particular drug, is a violation.

6. For purposes of violations under paragraph (7)(q) of this rule (generally, non-payment on a payment plan) a second, third, or subsequent offense occurs when there has been a prior violation on any repayment agreement.

(4) LIMITS ON SANCTIONS.

(a) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(h) of this rule), or shortages of goods (under paragraph (7)(n) of this rule) and the violations are a "first offense" as set forth in this rule, if the cumulative amount of the fine to be imposed as a result of the violations giving rise to that overpayment exceeds twenty-percent of the amount of the overpayment, the fine shall be adjusted to twenty-percent of the amount of the overpayment.

(b) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(h) of this rule), or shortages of goods (under paragraph (7)(n) of this rule) and the violations are a "second offense" as set forth in this rule, if the cumulative amount of the fine to be imposed as a result of the violations giving rise to that overpayment exceeds forty-percent of the amount of the overpayment, the fine shall be adjusted to forty-percent of the amount of the overpayment.

(c) Where a sanction is applied for violations of Medicaid laws (under paragraph (7)(e) of this rule), for a pattern of erroneous claims (under paragraph (7)(h) of this rule), or shortages of goods (under paragraph (7)(n) of this rule) and the violations are a "third" or "subsequent" offense, if the cumulative amount of the fine for violations giving rise to the overpayment exceeds fifty-percent of the amount of the overpayment, the fine shall be adjusted to fifty-percent of the amount of the overpayment.

(d) Where the audit report does not include an overpayment determination, it only applies a sanction, and where a fine is assessed for violations that are a "first offense" as set forth in this rule, the cumulative amount of the fine shall not exceed \$20,000; where the violations are a "second offense" as set forth in this rule, the cumulative amount of the fine shall not exceed \$50,000.

(e) Where a sanction would apply pursuant to this rule, no sanction will be imposed if the Agency has instituted an amnesty pursuant to Section 409.913(25)(e), F.S.

(5) MANDATORY TERMINATION OR SUSPENSION: Whenever the Agency is required to terminate or suspend participation in the Medicaid program and the required period of time for the exclusion exceeds one year, the sanction of termination shall apply.

(6) ADDITIONAL REQUIREMENTS REGARDING SUSPENSION AND TERMINATION:

(a) For purposes of this rule a "suspension" precludes participation for one year, or such shorter period of time as is set forth in this rule. The suspension period begins from the date of the Final Order that imposes the Agency action unless the suspension is an "immediate suspension". An immediate suspension period begins from the date of notice of the suspension.

1. To resume participation following the suspension period, a written request must be submitted to the Agency, Bureau of Medicaid Program Integrity, seeking to be reinstated in the Medicaid program. The request must include a copy of the notice of suspension, and a statement regarding whether the violation(s) that brought rise to the suspension have been remedied. If the provider, entity, or person was not enrolled in the Medicaid program at the time of the suspension, the request must also include a complete and accurate provider enrollment application, even if the person or entity seeks only to prescribe or otherwise order or authorize goods or services, and does not seek to directly furnish goods or services to Medicaid recipient; the application will be processed, and accepted or denied in the standard course of business by the Agency.

2. Participation in the Medicaid program may not resume until written confirmation is issued from the Agency indicating that participation has been authorized. Where a Medicaid provider application is required, authorization is at the point where the person or entity is enrolled as a provider; if the application is not granted, the person or entity may not resume participation.

(b) For purposes of this rule, a "termination" shall preclude participation in the Medicaid program for twenty years from the date of the Agency action. The termination period begins from the date of the Final Order that imposes the Agency action unless the termination is an "immediate termination". An immediate termination period begins from the date of notice of the termination.

1. To resume participation, the provider, entity, or person must submit a complete and accurate provider enrollment application, which will be processed, and accepted or denied in the standard course of business by the Agency. In addition to the application, the provider, entity or person must include a copy of the notice of termination

issued by the Agency, and a written acknowledgement regarding whether the violation(s) that brought rise to the termination has been remedied.

(7) SANCTIONS: In addition to the recoupment of the overpayment, if any, the Agency will impose sanctions as outlined in this subsection. Except when the Secretary of the Agency determines not to impose a sanction, pursuant to Section 409.913(16)(j), F.S., sanctions shall be imposed as follows:
